

VACANCY

Join Green Africa Foundation as a COMMUNICATION INTERN

Location: Nairobi, Kenya

Duration: 3 months

Start Date: August 8, 2024

Deadline for Application is 27th July

About Us:

Green Africa Foundation is a leading non-profit organization dedicated to promoting sustainable environmental practices and empowering communities across Africa. Our mission is to drive positive change through innovative solutions in environmental conservation, renewable energy, and community development.

Role Overview:

We are seeking a passionate and creative Communication Intern to join our dynamic team. This role offers a unique opportunity to gain hands-on experience in environmental advocacy, public relations, and digital communication.

Key Responsibilities:

- Assist in developing and executing communication strategies
- Create engaging content for our website, social media, newsletters, and press releases
- Support the planning and coordination of events and campaigns
- Monitor media coverage and manage media relations
- Collaborate with various teams to ensure consistent messaging and branding
- Conduct research to support communication initiatives

Qualifications:

- A diploma or a degree in Communications, Journalism, Public Relations, Environmental Studies, or related fields from a recognized institution.
- Excellent written and verbal communication skills
- Proficiency in social media platforms and digital marketing tools
- Ability to review, update and maintain a website
- Creative thinker with a keen eye for detail
- Strong organizational skills and ability to manage multiple projects
- Passion for environmental issues and sustainability

What We Offer:

- Hands-on experience in a reputable environmental organization
- Opportunities for professional growth and networking
- A collaborative and supportive work environment

How to Apply:

Submit your resume, cover letter, and a sample of your writing or a portfolio of your work to recruitments@greenafricafoundation.org by July 27, 2024.

Join Green Africa Foundation and make a real impact in promoting a sustainable future for Africa!
